

Nutcracker 2026 Schedule and Calendar Subscriptions

To access the site, use the QR code or go to the following address: <https://hda.danceschedule.me/access?code=HDANUTCRACKER2026>

If you have this saved on your phone from last year, you'll need an event code. Enter **HDANUTCRACKER2026** and your device will be remembered for 100 days. If you're ever prompted to enter an access code, you can use this same one again.

How to use the HDA Schedule site

HDA Schedule lets you quickly view up-to-date rehearsal schedules and optionally subscribe to them in your calendar.

Once you're in, you can browse the schedule by day and filter to any specific role (or multiple roles). You can then subscribe to the calendar of upcoming rehearsals for a specific role - filter to include the role(s) you want, and then click Subscribe - Selected Roles. You will see several options for subscribing to the calendar, depending on your device / calendar type. Important - if we change the schedule these changes will automatically be reflected in your calendar - it will always be up to date! You can also add this to your home screen like an app:

iPhone (Safari)

- Open the app link in Safari.
- Tap the Share button (square with an arrow).
- Choose "Add to Home Screen."
- Tap "Add." The icon now appears on your home screen and launches full screen.

Android (Chrome)

- Open the app link in Chrome.
- Tap the menu (:) in the top-right corner.
- Choose "Add to Home screen" or "Install app."
- Confirm. The icon now appears on your home screen and opens like an app.
